Amanda Strop came to the Board telling that there is need for more people to work the Shack during the DRS games. Currently it is the girlfriends or wives of the players, and they want the DRS guys to look for others to work. Mike mentioned that each team should be responsible for setting up their own workers. The DRS team will address this problem on their own. Possibly mention this at the Fundraiser, that volunteers are needed to help run the shack.

Next meeting, Monday November 10 at the St. Patrick Tavern. 7 pm start.

Jeff motioned to adjourn, Mike second. Adjourned at 7:50 pm.
