

St. Patrick Athletic Association 2022 Advertising Banners

The St. Patrick Athletic Association is once again offering an advertising program for businesses for the upcoming baseball season. This offer allows your business to have its name and information displayed to numerous baseball fans from the southern metro area; including Montgomery, Shakopee, Lonsdale, Prior Lake and New Prague.

We are offering a 4-foot by 8-foot vinyl banner to include your business logo and details. These banners will be placed on the exterior of the infield fence (nearest to fan seating) at beautiful Bonin Field in St. Patrick, MN. The signs will be displayed all season long, from mid-April until October 15. The banner will become property of the St. Patrick Athletic Association.

The money raised from this campaign will help our Non-Profit Association support Youth League teams; Midgets, Pee Wees, 13U, 15U and Town & Country, as well as our adult amateur team playing in the DRS League (Irish), the 35 and Over team (Shamrocks), and our 50 and Over team (Emeralds). A link will also be placed on the Association website if your business chooses at:

**This donation will be:
\$200 for renewing sponsors
\$300 for new sponsors**

The St. Patrick Athletic Association thanks you for your support.
